Common Questions and Answers

Pregnant Women

How long does it take for my application to be processed?

Med-QUEST will process your application within 5 days if you answer all questions on the application.

What should I do after the baby is born?

Call your Med-QUEST worker and let her or him know the baby's full name and date of birth. If Med-QUEST needs more information, they will contact you.

How long will my medical assistance continue?

You will be covered for 60 days after the baby is born. To continue longer, complete Form 1100 to find out if you are eligible as a non-pregnant adult.

If I am not eligible for Med-QUEST's programs, can I apply for my baby?

Yes. If your baby is eligible, benefits begin on the date Med-QUEST receives the application. Also, if you want your birth expenses covered, Med-QUEST must receive your application within 5 days of the baby's delivery. It would be helpful to

complete the application before you go to the hospital, take it with you, and ask the hospital staff to fax it to your local Med-QUEST office.

Children

How long does it take for my application to be processed?

Med-QUEST has up to 45 days from the date it gets your application to approve or deny it. However, if the person who needs medical assistance is blind or disabled, they have 60 days to review it.

How soon can my child get health care?

If the application is approved, benefits begin on the date Med-QUEST received the application.

If my child gets sick before the application is approved, what should I do?

Please call a doctor! Private physicians and community health centers can help you. Tell them you have an application pending with Med-QUEST. If you cannot get help because you don't have health insurance, call your local Med-QUEST office and ask for a medical emergency form (1149). Telephone numbers are listed on the last page of the application. You can also download the form at coveringkids.com/library/. After the doctor completes the form, bring it to Med-QUEST and they will review your application.

Will enrolling in QUEST or Medicaid Fee-for-Service affect my immigration status?

No. It will not affect your child's or family's immigration status. Visit the Bureau of Citizenship and Immigration web site (immigration.gov/graphics/publicaffairs/summaries/public.htm) or call their national customer service center at 1-800-375-5283 for details.

What is EPSDT?

Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services is a program that provides regular medical and dental check-ups for individuals under 21 years old.

RIGHTS AND RESPONSIBILITIES

WHAT I HAVE THE RIGHT TO EXPECT FROM THE DEPARTMENT:

RIGHT TO CONFIDENTIALITY: Federal and State laws do not allow the Department to release any information I have provided without my written permission unless it is directly related to the running of the medical assistance programs.

NO DISCRIMINATION: I will not be treated differently because of my race, color, age, sex, national origin, physical or mental disability, or religious or political beliefs. If I am not satisfied with the way I am treated, I should write to the Department of Human Services Personnel – Civil Rights Compliance Unit, P.O. Box 339, Honolulu, Hawaii 96809-0339 or the U.S. Department of Health and Human Services, Office of Civil Rights/Region IX, 50 United Nations Plaza, Room 322, San Francisco, California 94102, Attention: Regional Manager, as soon as possible. I may also call the US DHHS at 1-800-368-1019 (toll free) or 1-415-437-8311 (TDD).

FAIR AND FRIENDLY TREATMENT: The Department will make an eligibility determination based on facts within 45 days from the date the application is received by the Department or within 60 days for someone who is applying for medical assistance based on a disability. I will be given correct information and treated with dignity and courtesy at all times.

BILINGUAL, SIGN INTERPRETER, OR OTHER ACCOMMODATIONS: I can get help to access medical assistance with sign or foreign language interpreters, large print, taped materials or accessible parking, etc. at no charge.

RIGHT TO ADVANCE NOTICE AND A FAIR HEARING: The Department must tell me before they take any action that affects my benefits by mailing me a notice. If I am not satisfied with any decision made by the Department that will affect me, I have 90 days from the date on which the notice is mailed to me to request a fair hearing. I may ask the Legal Aid Society of Hawaii, another community agency, or anyone else to assist me.

PRE-EXISTING CONDITIONS: Federal law limits when health insurance will not pay for a pre-existing condition. If I enroll in a group health insurance plan that does not cover pre-existing conditions, I can get credit for the time that I received medical assistance, I must ask for a certificate of medical coverage within 24 months after my medical assistance coverage ends.

EPSDT: All persons under age 21 can have free regular health and dental check-ups under the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Program. Participating physicians, dentists, clinics, and health centers provide EPSDT check-ups, diagnosis, and treatments. If requested, I may also receive help with scheduling appointments and transportation for EPSDT services.

WHAT THE DEPARTMENT HAS THE RIGHT TO EXPECT OF ME:

SOCIAL SECURITY NUMBER: Social Security Numbers (SSN) are used to verify the income and assets of those applying for medical assistance to determine if they are eligible. I do not have to provide my SSN if I am not applying for medical assistance or if I am a non-lawful alien applying for emergency medical assistance.

CITIZENSHIP: Those persons applying for assistance in my household are U.S. citizens; lawful permanent residents; refugees; asylees; persons granted cancellation of removal, or paroled in the U.S.; nationals of American Samoa or Swain's Island; Cuban, Haitian, or conditional entrants; Amerasian immigrants; honorably discharged or active duty military, or their spouse or dependent children; battered spouse or children, or children of a battered spouse under the Violence Against Women Act; children who are citizens of the Federated States of Micronesia, Marshall Islands, or Palau, or permanently residing in Hawaii under color of law; or otherwise authorized by law to receive assistance. I must provide proof of lawful immigration status unless I am not applying for medical assistance, or I am an alien that entered the U.S. on or after August 22, 1996 and am applying for emergency medical services.

THIRD PARTY LIABILITY: I will give to the State of Hawaii any health insurance payments or other money received for medical care for the time anyone in my household receives assistance. If I do not cooperate because I believe it may not be in the best interest of my household, I must provide information to support this. Without good cause, it will not affect my children's medical assistance, however I may not be eligible for medical assistance unless I am pregnant.

REPORTING ANY CHANGES: I will report to the Department all changes about my household within 10 days of when I learn of the changes as they may affect my eligibility for medical assistance. Changes to report include, among other things: income; addresses; living arrangement; marriage/divorce; pregnancy; birth; death; insurance coverage. It also includes the injuries from accidents; receipt, transfer or sale of any asset (i.e. home, car, etc.); or receipt of a Social Security Number. I must also report when anyone enters a hospital or public institution, or moves out of the State of Hawaii.

VERIFICATION OF INFORMATION: The Department may contact Federal, State, and local officials to make sure the information that I provide is true. I agree to help the Department, its agents and contractors, and Federal Control reviewers and/or auditors if my case is reviewed. The Department may call any bank or other financial institution to get information about the accounts that belong to my household.

PENALTY WARNING: All information given by me on all forms is true and complete to the best of my knowledge. If I give wrong information on purpose or have someone give wrong information on purpose to help me get medical assistance coverage, I may have to pay penalties and/or repay any medical assistance I received.
